

# Rare / Colonial Species Form

**Instructions:** Species designated as Provincially Rare, Regionally Rare, or as a Species of Interest require extra documentation to confirm the identification and/or provide details about the breeding colony. Helpful details include a description of the species, the habitat and location, observation conditions, familiarity with the species, other observers, notes on how the count was made and what it represents, or any other information you think is relevant.

- † **Provincially Rare:** documentation required for **ALL** breeding records.
- ‡ **Regionally Rare:** documentation required for **ALL** breeding records.
- § **Species of Interest:** documentation required for **CONFIRMED** breeding records only, includes colonial species, widespread Species At Risk, and other priority species
